ALEUTIAN/PRIBILOF ISLANDS SERVICES DIRECTORY

A joint effort between Aleutian/Pribilof Islands entities to outline services available to shareholders, descendants and residents of the Aleutian Region and Anchorage area

This Page Intentionally Left Blank

Aang Aang,

We are pleased to present an update of the Unangan Services Directory. As a shareholder, descendant or resident of the Aleutians and Pribilof Islands, you have available to you a wealth of services and opportunities. As a joint effort, we have coordinated contact information, service descriptions and important phone numbers for your use. Some of the entities involved include:

The Aleut Corporation (TAC) - The Aleut Corporation is committed to promoting economic, cultural, and social growth for its shareholders through its subsidiaries, partnerships and foundation.

The Aleut Foundation (TAF) - The mission of TAF is to support the economic and social needs of the Aleut people with scholarships for post-secondary education, career development and burial assistance for shareholders of the Aleut Corporation.

Aleutian Pribilof Islands Association (APIA) - APIA was incorporated in 1974 as an Alaskan not-for-profit Corporation to advance the overall economic, health, social and cultural development of the people within the Aleutian and Pribilof regions. APIA's programs include the operation of health clinics, alcohol counseling centers, public safety, elder and educational programs, social and welfare services, rehabilitation and cultural programs.

Aleutian Housing Authority (AHA) - The mission of AHA, working in partnership with member Tribes, is to contribute to the building of healthy, stable communities throughout the Aleutian Pribilof region by 1) providing quality, affordable housing and housing-related support services; 2) expanding and improving community infrastructure; and 3) creating opportunities for employment and economic development.

Aleutian Pribilof Island Community Development Association (APICDA) - APICDA develops opportunities in the commercial and sport fishing industry to enhance the long-term social and economic viability of the coastal communities and their residents in the Bering Sea and Aleutian and Pribilof Islands. APICDA's communities include Akutan, Atka, False Pass, Nelson Lagoon, Nikolski, St. George and Unalaska.

Eastern Aleutian Tribes (EAT) - The role of EAT is to provide quality health care that ensures everyone is treated equally with dignity and respect, and encourages the well-being of the people. EAT manages clinics in Adak, Akutan, Cold Bay, False Pass, King Cove, Nelson Lagoon, Sand Point and Whittier.

We have included a comment sheet at the back of the directory for questions or comments you may have. Or call (907) 561-4300 or 800-232-4882. We look forward to hearing from you.

Burial Assistance - Cook Inlet Tribal Council

This burial assistance program is funded by a grant from the Bureau of Indian Affairs. The program is for indigent Alaska Native or American Indians when no other resources are available. Applications will be accepted from surviving spouse or if none, the relative responsible for making arrangements.

Eligibility: Eligibility is based on the income and resources available to the deceased, which includes (but is not limited to) tribal or native corporation burial assistance, Social Security Insurance (SSI), veteran's death benefits and Individual Indian Money (IIM) accounts. Upon determination that the deceased meets the basic eligibility conditions, a vendor payment to the mortuary will be made minus any available resources. Burial assistance does not cover the cost of transporting relatives to and from the community to attend the funeral.

1. Deceased must be Alaska Native or American Indian. Acceptable documentation is Certificate of Indian Blood from the Bureau of Indian Affairs, or Tribal Enrollment verification.
2. Copy of Picture Identification of the deceased.
3. Burial Assistance is provided when no other resources are available.
4. Proof of residency such as rental agreement or utility bills. Deceased must have resided within the boundaries of the Municipality of Anchorage for the past six consecutive months. The service area of Anchorage includes north to, but not including Eklutna, and south to Portage. Residency requirement does not apply to CIRI shareholders or their descendants.
5. Proof of income. Must submit current income available to deceased and current bank statement.
6. CITC Application for Burial Assistance completed by next of kin within 30 days of death: <https://citci.org/wp-content/uploads/2012/10/BurialAssistance.pdf>

Children's Services

Head Start Program - Aleutian Pribilof Islands Association

Head Start is a comprehensive federally funded child development program serving low-income children, ages three to five, and their families. Head Start promotes school readiness by enhancing the social and cognitive development of children through the provision of educational, health, nutritional, social and other related services, including the special needs of children with disabilities.

Head Start emphasizes the role of parents as their child's first and most important teacher. Head Start programs build relationships with families that support:

- Family well-being and positive parent-child relationships
- Families as learners and lifelong educators
- Family engagement in transitions
- Family connections to peers and community

APIA Head Start children are guided in developing social skills, physical fitness and educational tools that give them a head start towards kindergarten. All children receive appropriate developmental screenings and referrals as needed. Our program is inclusive and 10% of our enrollment is reserved for children with disabilities.

Head Start assist parents and families toward their own education, literacy and employment goals. Local Parent Committees are formed at each Head Start Center to assist the staff in curriculum development, increase community support and offer advice on programmatic and fiscal decisions.

APIA Head Start currently serves the following communities:

- King Cove
- Sand Point
- Unalaska

Public Policy Fellowship Internship - First Alaskans Institute

First Alaskans Institute will place two to four Alaska Natives in the State Legislature in Juneau during the upcoming 2010 Legislative session. This paid 15-week fellowship runs from January 19 to April 18, 2010, in Juneau. The fellowship will begin with a two-day intensive orientation in Anchorage before beginning work with the selected legislative office. Fellows commit to working five days a week for the full 15-week session. Eligible fellows will receive a housing stipend, a round trip ticket to Juneau, and will be paid an hourly wage.

The goal of the First Alaskans Public Policy Fellowship is to provide an opportunity for emerging Native leaders to become familiar with the state legislative process; understand their own histories; learn and use the skills of past, present and future leadership; and gain hands on experience with the issues that confront Alaska Natives and the State of Alaska. Fellows will gain real work experience while learning and participating in the state legislative and political process.

Eligibility: Public Policy Fellows will be selected using a competitive application process which requires applicants to submit a resume, two letters of recommendation and an essay describing how the Public Policy Fellowship will help achieve career and leadership goals.
